### Pope's prayer intention for July: that families be loved, respected, guided

In his prayer intention for the month of July 2020, Pope Francis asks everyone to pray that today's families may be accompanied with love, respect and guidance.

#### The full text of his intention is below:

*The family ought to be protected.*

*It faces many dangers: the fast pace of life, stress...*

*Sometimes, parents forget to play with their children.*

*The Church needs to encourage families and stay at their side, helping them to discover ways that allow them to overcome all of these difficulties.*

*Let us pray that today's families may be accompanied with love, respect and guidance.*
