First Sunday of Advent
Sunday 29th November

Advent Season is a very special time of year that sometimes gets lost in the bright lights of the Christmas season it precedes. The first day of Advent is the first day of a new Liturgical (or church) calendar and begins a four week period of preparation in anticipation of the nativity of Jesus at Christmas.

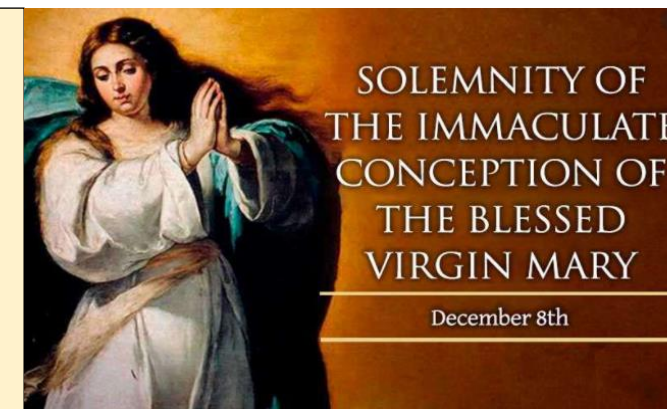

The Advent Season is all about reflecting on how we can prepare our hearts and homes for Christ's birth in the world as it is today. It is a time for faith communities and families to remember, through prayer, reflections, special music, and good deeds what the true meaning of Jesus' birth is.
