Recessional Hymn

City of God

Awake from your slumber!
Arise from your sleep!

A new day is dawning for all
those who weep.

The people in darkness have
seen a great light.

The Lord of our longing has
conquered the night.

Let us build the city of God.
May our tears be turned into
dancing!

For the Lord, our light and our
love, has turned the night into
day! We are sons of the
morning; we are
daughters of day.

The One who has loved us has
brightened our way.

The Lord of all kindness has
called us to be a light for his
people to set their hearts free.
