*Pray for the earth,  
 our common home*

Pope Francis has established the 1<sup>st</sup> September as the World Day of Prayer for the Care of Creation, asking the Catholic community around the world to pray for our common home.

**Prayer for our world**  
 Creator God, who made our beautiful world, appointed us as its guardians and gifted us with everything we need, forgive us for the times we cause it harm; for the times our way of life affects our neighbours. Inspire us to care for the environment; to help rebuild lives and communities; to share in the griefs and anxieties, joys and hopes of all your people, so that all your creation may flourish.

Amen.
